## “LEND a HAND” REGISTRATION.

Many of our Members live at a considerable distance from Melbourne and would dearly love to be able research in Frankston, Knox, Preston or similar metropolitan areas.

Those of us who live in the metropolitan area are limited in how much time we can spend travelling to Harrierville, Dimboola or elsewhere.

Likewise many Members are sick or are looking after sick family members. Can't we help them with their local research?

Our aim is enable our Member's to help each other.
